

Air Traffic Control Officer

Air Traffic Control Officer

Gloucestershire Airport is a busy general aviation airport set in beautiful surroundings in the heart of Gloucestershire.

We are looking for a suitably qualified and experienced Air Traffic Control Officer who holds valid ratings in Aerodrome Control Instrument, Approach Control Procedural and Approach Control Surveillance.

Duties include acting as an Air Traffic Control Officer providing an Air Traffic Control Service in a busy class G environment. You will be responsible for providing a safe, orderly and expeditious Air Traffic Control Service in accordance with CAA regulations and local procedures

Applicants must hold;

- UK CAA/EASA approved ATC licence with a valid rating in Aerodrome Control Instrument (ADI)
- UK CAA European Class 3 medical certificate

It would be desirable for candidates to hold a UK CAA/EASA approved ATC licence with valid ratings in Aerodrome Control Instrument (ADI), Approach Control Procedural (APP) and Approach Control Surveillance (APS) with OJTI and Assessor ratings.

Previous experience in busy class G airspace dealing with a mix of GA, military and commercial traffic would be advantageous.

We are a small, friendly team and can offer a great work/ life balance. We offer a competitive salary with some great benefits, including a generous holiday entitlement
